Summary

Motivated software developer with hands-on experience in full-stack development, enterprise applications, and production data systems. Skilled across the entire stack — React.js, Node.js, Spring Boot, REST APIs, MySQL, and MongoDB. Experienced in delivering real-world software in Agile teams. Open to software development, backend, full-stack, and data-focused roles.

Experience

MERN Stack Developer Intern

Jan 2026 – Jun 2026

CPIOMBO SERVTEC Pvt Ltd, Mumbai

- Developed enterprise web applications using React.js, Node.js, Express.js, and MongoDB.
- Built REST APIs and contributed to Fabrix, Site Visit, and HRMS portals.
- Performed debugging, testing, and feature enhancements in Agile development.

Spatial Data Specialist

July 2023 – September 2024

HERE Technologies, Mumbai

- Analyzed satellite imagery, LiDAR data, and shapefiles for map digitization and database updates.
- Applied QA processes to validate spatial datasets and ensure accuracy across production map systems.
- Interpreted geospatial scenarios to support real-time map corrections at HERE's global navigation platform.

Projects

Online Fuel Delivery System | MERN Stack

- Developed a full-stack web platform for online fuel ordering with secure JWT-based authentication.
- Integrated Razorpay payment gateway and implemented real-time location tracking.
- Designed RESTful APIs and ensured secure communication between frontend and backend services.
- Implemented role-based access control to restrict buyer, delivery agent, and admin functionalities across the platform

Gym Slot Booking System | Spring Boot, JSP

- Built a web application for gym slot booking with role-based access for admin and users.
- Implemented session management, authentication, and slot availability logic.
- Integrated Spring Boot, JSP, Servlets, and MySQL for backend operations.
- Built admin panel with CRUD operations to manage members, time slots, and booking records via MySQL.

Skills

Programming & Querying: Java (DSA), C++, JavaScript, SQL

Web & App Technologies: React.js, Flutter, Node.js, Express.js, Spring Boot, JSP

Databases & Core Concepts: MongoDB, MySQL, OOPs, REST APIs, SDLC

Education

Master of Computer Applications (MCA)

2024 – 2026

Sardar Patel Institute of Technology, Mumbai

Bachelor of Commerce (First Class)

2020 – 2023

D.G. Ruparel College, Mumbai
